

Organic cotton tape

Natural fibres

YKK
Little Parts. Big Difference.™

Organic cotton tape features tape made of organic cotton fibers. The farming of the cotton is certified by a 3rd party, offering traceability & compliance with requirements for chemical use, water stewardship & fair labor practices.

Organic cotton tape

Natural fibres

Natural fibres use reduces the environmental footprint.

The tape of this zipper range is made with organic cotton thread*.

No toxic chemicals are used in the growing of organic cotton therefore it doesn't damage the soil, has less impact on the air, and uses 88% less water and 62% less energy.

*Organic Cotton yarn used in this zipper is certified as "GOTS: Global Organic Textile Standard" cotton
